

ENTURERS

The REBO (Robious Explorers Booster Organization) is selling team T-shirts for the students to wear. These colorful shirts greatly assist the teachers in organizing the participants when on field trips. Parents usually ask if they need a T-shirt to chaperone, and you do not. However, it is up to you if you want to wear one – the teachers do. If you have any questions, please contact Martine Rose at fishingrose@comcast.net.
